

Let's pretend it is the year 2050 and you've been asked to create an exhibition about lockdown life in 2020. What would you put in it to tell your story of life in our town during the COVID-19 pandemic?

You can choose objects, videos, photographs, stories, whatever you feel represents your time during lockdown. Draw your ideas below and email them to us at harboroughmuseum@leics.gov.uk or tag us in your facebook posts

Draw your face here

Words to describe how you feel

Have you discovered any new hobbies?

Four horizontal lines for writing answers to the question about new hobbies.

How are you feeling?

Things I can't wait to do when this is over

Thank you for agreeing to submit content. Leicestershire County Council aim to use this content for the purpose of sharing good news stories on social media and to create a film which could contain submitted content. This content will also go into the archives at the Record Office for Leicester, Leicestershire and Rutland and will be held for future generations.
